

PRODUCT DATA SHEET

GIANT CHAIN BAR OIL

Anti-Rust and Super Tacky Chain & Bar Oil

DESCRIPTION

GIANT CHAIN BAR OIL is a tough, tacky lubricant designed for lubrication of the chain, bar and sprocket on all types of chainsaws and chain driven machinery. It is made from high quality mineral base oils along with a highly effective tackiness agent to resist throw-off.

BENEFITS

- Excellent lubricity results in increased working life of the chain, bar and sprocket.
- Super tacky quality of the product minimizes sling-off from the chain.
- Keeps the saw clean by flushing away wood chips, gum and dust and by removing pitch and preventing further pitch build-up on the chain and bar. Minimizes chain adjustment and chain replacement.
- Low cost economy – stays and lubricates longer

TYPICAL APPLICATIONS

GIANT CHAIN BAR OIL is recommended for lubrication of the chain, bar and sprocket on all types of chainsaws, using either hand operated or automatic oilers.

It is also recommended for other chain driven machinery, including motorcycles, lawnmowers, timber jinkers and farm equipment.

TYPICAL PROPERTIES

Grade	150
Kinematic Viscosity, cSt @ 40°C	150.7
Kinematic Viscosity, cSt @ 100°C	15.58
Viscosity Index	106
Pour Point, °C	-5
Flash Point, °C	230
